The author regrets that the co-authors' name was omitted from the article.

The co-authors' details are:

Alan B. Palazzolo, Department of Mechanical Engineering, Texas A&M University, 100 ENPH Bldg., College Station, TX 77843-3123, USA.

It is also regretted that the acknowledgement section in the article was incorrect. The correct acknowledgement follows.

## Acknowledgements

The authors would like to thank Andy Provenza and Albert Kascak at NASA Glenn Research Center for their technical advices and gratefully acknowledge support of this research on NASA Glenn Grants NRA-GRC-99-02 and on National Research Council grants.

The author would like to apologise for any inconvenience caused.
